Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir:

Applicants' wish to express their appreciation to Examiner Tillery for conducting telephonic interviews with Applicants' representative, Timothy Johnson (Reg. No. 66,580), on February 6 and 7, 2012.

During the February 6, 2012 interview, Examiner Tillery indicated that pending dependent claim 47 included allowable subject matter. On February 7, 2012, Mr. Johnson faxed Examiner Tillery a set of proposed amendments to independent claims 1, 12, 24, and 25.

In a second telephonic interview on February 7, 2012 Examiner Tillery and Mr. Johnson discussed the support for the proposed amendments in the specification, and potential broadest reasonable interpretations of the subject matter of pending dependent claim 47. In light of discussions with his Supervising Primary Examiner (SPE) and additional references, Examiner Tillery indicated he could not allow the pending claims or the proposed amended claims.

No other agreement was reached during the telephone interviews conducted February 6 and 7, 2012.

Respectfully submitted,

Dated: February 7, 2012
